About the Corporate Culture Awards

The Corporate Culture Awards program honors companies that foster a creative, collaborative workplace culture to enhance performance and sustain a competitive advantage. Smart leaders understand that culture is a company's greatest asset, driving performance and growth. What's more, a successful culture is actively and intentionally cultivated and developed. Corporate Culture Awards winners will have championed for a positive, productive culture in their organization, and will have worked with employees to develop successful cultural practices. The final roster of winners will be chosen by an independent committee of local business leaders, profiled in *SmartCEO* magazine, and celebrated at a high-energy awards event.
